CARE AND MAINTENANCE GUIDELINES

- ❖ The brakes and wheels wear out faster than other parts. Replace them when necessary.
- ❖ Regularly oil the moving parts. Use silicone oil or silicone spray for oiling.
- ❖ Clean and oil all dirty metal and plastic parts regularly.
- ❖ Clean the fabrics, plastic parts and metal parts with damp cotton cloth or sponge and mild soap.
- ❖ Always after cleaning leave the stroller fully dry and after that use it or store it. Mold could form if you keep your stroller moist.
- ❖ Always store your stroller indoors. The effect of the environment – sea air, road covered with salt, acid rains, etc., as well as storing in the open air lead to corrosion
- ❖ Please, contact your authorized dealer for problems connected with the use or repair of this stroller.
